

# Laser Healthcare™ SEMINAR:

## Live Your Dream The "Y" File Seminar

Presented by: Dr. John Donofrio and Dr. Joe Thomas

November 19-20 - Atlanta, GA

CEs: \*12 Hours of CE Credits

### LIVE YOUR DREAM

This seminar will open your eyes to getting sick people well, getting new patients into the office and maintaining your current patients.

### THEY-FILE SEMINAR

Dr. John Donofrio B.S., D.C., DABCN, FACFN is an established and well respected doctor, educator and consultant. He has identified, established and implemented the most appropriate, effective and least invasive protocols for restoring and sustaining health and balance within patients. He has ongoing clinical research supporting the development of his methods and his seminar series for health professionals around the world on natural health care protocols.

Dr. Donofrio has been an active health professional for almost 30 years. He has distinguished himself in the areas of natural health care, Chiropractic neurology, international lecturing, teaching and music. He is the President of the American Chiropractic Neurology Board.

Dr. Donofrio has a successful practice in Pennsylvania where he and his team utilize Chiropractic neurology, nutrition, Erchonia® low level cold light laser therapy and detoxification programs to help people heal and grow. Over 90% of his patient base travel from around the world to utilize his treatment plans.

### Topics that have been/can be covered at the Y-Files:

- Immune Support for the Flu Season
  - Cardiovascular Health (review physiology and pathology)
